

## Learn the 99 names of Allah

This activity can be used to help you learn the names of Allah:

- You can colour in the names and the background to make the pages bright and colourful!
- Multiple pages can be printed onto a sheet of paper so you can create flashcards or a booklet.
- Advanced: If you feel confident, you can make notes around the names to explain their meanings further and how you have seen it manifest in your life. For example, for Ar-Raheem, you can give examples of Allah's mercy or for Al-Khaliq, you can explain how Allah is our creator and give examples of Allah's creation. (Please look at the examples for some ideas.)

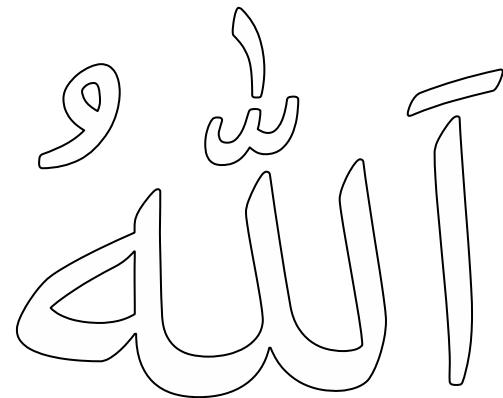

## **The immense reward of learning Allah's names:**

*Hadhrat Abu Hurairah (may Allah be pleased with him) narrates that the Prophet (peace be upon him) said: "Allah has 99 names. Whosoever memorises them, will enter paradise." At-Tirmidhi (Hadith 3506)*
